

**2010-2011 Application Invitation
Leadership Wayne Class II**

Dear Wayne State University Student:

We invited you to join Leadership Wayne, a class of dedicated, informed, and engaged leaders who commit to growing, sustaining, and supporting the Detroit region. Leadership Wayne is a program initiative of the Irvin D. Reid Honors College, and has been created to provide Wayne State University students the foundation needed for a lifelong commitment to service and advocacy. Through Leadership Wayne students have the opportunity to develop leadership skills, learn facilitation and communication skills, and establish connections amongst a network of professionals in careers such as health care, education, arts and culture, business, and others. Successful applicants of Leadership Wayne Class II will be exposed to key issues that affect metropolitan Detroit (e.g. education, politics, and economics) and will learn to challenge and build upon current solutions to bring about positive, long term change in the community through informed leadership.

The Leadership Wayne selection process is competitive, and requires a personal interview, written responses, and letters of recommendations. Preference will be given to students who meet the criteria outlined in the online application. Students selected as finalists will be invited to participate in an interview in August, 2010.

If you have questions, please contact Dr. Elizabeth Barton at (313) 577.5198 or email ac2913@wayne.edu.

Best Wishes,

Leadership Wayne Selection Committee
